

Friendship and Sportsmanship

On October 4th, the Carol Coolidge Real Estate Monthly Fishing Contest grand prize drawing was held and a young man named Trevor Hill won the five hundred dollars.

As it turned out, Trevor came to the lake with Jacob Hale, the grandson of shareholder Rick Armour, to try to catch a fish or two. Jacob and Trevor both weighed in their fish for the CCRE Contest. However, Trevor's bass did not win the monthly prize but it did make him eligible for the grand prize drawing.

We did not have Trevor's address but was able to get his address from Kelly Hale, Jacobs's mother. This is where the story of sportsmanship and friendship actually began. When Kelly and I began to text each other, I advised Kelly Hale that it was too bad that Jacob did not get to win. She replied, "its ok, Trevor said he will split it with him." I asked if that happened to please send me a photo.

Yesterday, I received a photo with Trevor Hill giving Jacob Hale a \$250.00 check. As it turns out, Jacob and Trevor have been very good friends, both were in the scouts together. This act by Trevor is a shining example of friendship, sportsman-

ship and integrity. Integrity, simply means, doing the right thing, when no one else is looking.

What a great example, from these two young people, display the true meaning of friendship, sportsmanship, and most of all, integrity!

MINUTES OF THE
BOARD OF DIRECTORS
CHEROKEE WATER COMPANY

October 17, 2019

A meeting of the Board of Directors for Cherokee Water Company was held at 6:00 pm on Thursday, October 17, 2019, at NK 20 Lake Cherokee, Longview Texas 75603 with the following Directors present:

George Strunk, President
Sue Wilson, Secretary
Bo Besharse
David Collins
Seleta Davis
Larry Lacewell
Randall Latch
Steve Lobue
Randy Stringer
Lynda Whalen
Not present: Bill Adler and Johnnie Tyler

President George Strunk called the meeting to order.

Sue Wilson, Secretary, pronounced a quorum.

A MOTION was made by Sue Wilson and seconded by Randall Latch to approve the Minutes of the September 19, 2019 regularly scheduled Board of Directors meeting.

The motion passed.

George Strunk, in absence of Johnnie Tyler, Treasurer, presented the Treasurer's Report. The draft financial statements were reviewed in detail at the committee meeting on Monday. Operating revenues are on budget and operating expenses are under budget.

A MOTION was made by George Strunk and seconded by Bo Besharse to certify the bills paid for month ending September 30, 2019.

The motion passed.

SAFETY ARTICLE

-Tommy Hooten,
Sergeant

Hello friends, family and neighbors!

As a supervisor for Cherokee Lake Patrol, I am thankful for the job that has been entrusted to me. While I take it very seriously, I am happy to come to work each day. I enjoy being able to give something back to the people with whom I share this beautiful lake.

We have a unique and special community. Unfortunately, just like any other community, we have our fair share of issues. One of the biggest issues my team and I face is security, and one of the biggest obstacles in keeping our lake secure is the amount of traffic on our lake roads. Due to the number of contractors, yard crews, service personnel,

DECALS

guests, etc., that utilize our roads daily, it can be difficult to determine who is supposed to be here and who isn't.

Fortunately, we have a system in place to aide us in solving that problem—vehicle decals. Upon lease renewal, each shareholder is issued two decals for each vehicle registered. One sticker goes on the front of each vehicle, and one goes on the rear. Both stickers are required so that officers can identify vehicles that “belong” no matter which direction they are driving. Although they may seem tedious, decals are an excellent tool in assisting us with providing you security and protection—but only if they are applied, and applied properly.

In the near future, Lake Patrol will begin a concentrated effort to enforce proper use of decals. This will come in the form of traffic stops. If your vehicle has outdated or missing decals, expect to be stopped. To avoid this, please take a few minutes right now and apply your new decals to all of your vehicles

(if you have not already done so). By taking this step, you are helping us monitor traffic on our lake roads. We can more easily spot a vehicle that “doesn't belong” and further investigate its presence. This, in turn, will lead to increased safety and security for our entire community.

Lake Patrol is here to provide service and security for the community. Thank you for assisting us with this very important matter!

Tommy Hooten,
Sergeant

Managers Memo - Report by Erin Summerlin:

1. The BOD Election ballots and proxies will be mailed out tomorrow in accordance with the Bylaws. This year, your ballot or proxy will need to be received in the office no later than 5:00 pm on Tuesday, November 5th to be counted. Shareholders voting their own ballot may hand deliver their ballot to the Annual Shareholder Meeting on Thursday, November 14th before 7:00 pm. The four Board members who will serve terms from 2020-2022 will be elected and announced at that meeting. The candidates are:
Sheri Gibson
Tim Sutphen
John Lightfoot
Kristina Coolidge
Joe Travis
2. We have received 65% of the 2019-2020 Annual Lease Renewals. Late fees will be assessed beginning November 1st.
3. There is one full lease fee due for the 2017-2018 lease renewal period that was turned over to the Lake Attorney on February 1, 2018 for collection.
4. There are 4 full lease fees due for the 2018-2019 lease renewal period that were turned over to

the Lake Attorney on February 1, 2019 for collection. There are 2 partial lease fees due for the 2018-2019 lease renewal period.

Lynda Whalen, Chair of the Property and Rules Committee, reported that the Committee did meet this month and had four action items to bring before the Board.

A MOTION was made by Lynda Whalen and seconded by Steve Lobue that the Board approve the recommendation of the committee for the following:

1. A REQUEST FOR A VARIANCE from Richard Holleman, ND 10, to construct a shop addition closer than 50' to the road.
2. A REQUEST FOR A VARIANCE from Jane Page Crump, NL 12/13, to include their home in the Fall Parade of Homes in November.
3. A REQUEST FOR A VARIANCE from Jim Betts, SQ 02, to construct a 30'x30' carport closer than 50' to the road.
4. A REQUEST FOR A VARIANCE from Chris Mathews, ST 37, to construct a swimming pool closer than 75' to the water.

The motion passed.

Randy Stringer, Chair of the Building and Grounds Committee, reported that the Committee did meet this month and had no action items to bring before the Board.

Seleta Davis, in absence of Johnnie Tyler, Chairman of the Natural Resources Committee, reported that the Committee did meet this month and had no action items to bring before the Board.

Sue Wilson, Chair of the Policy and Conduct Committee, reported that the Committee did not meet this month and had no action items to bring before the Board.

Randy Stringer, Chair of the Long-Range Planning Committee, reported that the Committee did not meet this month and had no action items to bring before the Board.

George Strunk announced the Board would go into Executive Session.

The Executive Session ended at 6:46 pm and the regularly scheduled Board of Directors meeting resumed.

Being no further business, the meeting was adjourned at 6:46 pm.

ATTEST:

Sue Wilson, Secretary

Late Fees Assessed on November 1st

If you have forgotten to renew your lease, remember that beginning November 1st, a \$100 late fee is assessed, which must be paid before your lease can be renewed. An additional \$100 is added on the 1st day of each month thereafter. When the Board sends the overdue accounts to the Lake Attorney for collection, the delinquent accounts begin accruing legal fees as well as the late fees.

A magnificent lake with beautiful people to share it with – that's Lake Cherokee. The 2020 Lake Cherokee Preservation Club calendar tells our story with photos, special events, and much more.

The Preservation Club would like to thank all who helped create this gift for our community:

- the artistic photographers and kids who participated in the calendar contests
- the calendar judges, and the event photographers: Nic Summers, Donna Reader, George Strunk, Jamie Maddox, and Jane Wolven
- Wendy Dobson, our graphic designer, and TCM printing for their fantastic work on this project

We especially want to thank our wonderful sponsors for their generous support.

The Good, The Bad and The Ugly

While motoring around the lake, some of you have inadvertently come across stumps just below the surface of the water. With the best of intentions, you mark it - that's good! But don't just stick a piece of rebar or sucker rod in it -that's bad! If someone can't see it and runs across it, it can potentially cause more personal injury and damage to the watercraft than the stump would do- that's ugly! The concern

you've taken to let other boaters know of the stump danger is exactly what makes our Lake Cherokee shareholders great, but please cover those dangerous metal rods with pvc pipe and reflective tape or markers to assure they are seen and avoided. If those materials are not available, please contact the office as soon as possible so we can finish your good deed and make it safer for everyone.

NO RENTALS

Lake Cherokee is a gorgeous lake to be enjoyed by our wonderful shareholders and their guests - period! One of the unique qualities of our community is its privacy and for many, that is why people purchased property here.

There are two related CWC Rule violations regarding residency that, when discovered, will result in hefty fines for the shareholder or even more severe consequences.

The CWC Rules and Regulations state that the only persons allowed to reside in a shareholder's home are the shareholder, the shareholder's spouse and their dependent children. An exception to this rule is if the shareholder resident is a single person, he or she may name an unmarried "resident" in lieu of a spouse if that person is a full time resident with the shareholder in their principal residence. Just as with other CWC Rules and Regulations, the Board of Directors may authorize another exception to this Rule where special circumstances exist. One example might be an adult child that is a full-time caretaker of an elderly parent. The shareholder should make a request to

the Board and obtain approval of the Board; otherwise it is a Rule violation. If you have a special situation you would like to have considered by the Board, please contact the office for instructions on getting the information submitted.

The second circumstance that presents a Rule violation is when Lake Cherokee properties are leased, rented or otherwise made available for temporary residences, rental properties or revenue sources. Rental of Lake Cherokee residences is a Rule violation, subject to fine. Rentals include timeshare arrangements, weekend rentals, holiday rentals and long term lease/rental agreements.

Likewise, your residence cannot be leased, loaned or offered as a prize or reward. For example, it is a Rule violation if a shareholder/business person offered an employee the opportunity to stay as an unattended guest as a bonus for work well done.

Also, please remember that overnight guests should only be on the property when accompanied by a privilege card holder and the shareholder is responsible for the actions of their guests.

We love *leisure* living!

99 years?

The Cherokee Water Company Lease Agreement is for a term of one (1) year. Records of leases signed with the original lots were leased for a one (1) year term. All the leases signed between 1948 and the present time has been for a term of one (1) year. The term of the leases is not, nor ever has been, ninety-nine years.

1st Annual LIGHT UP LAKE CHEROKEE Christmas Contest

On Saturday, December 14th at dark, our judges will travel by boat to the preregistered homes that want to be included in the contest.

Sign up by sending an email to erin@lkcherokee.com with the subject line LIGHT UP LAKE CHEROKEE and your lot number.

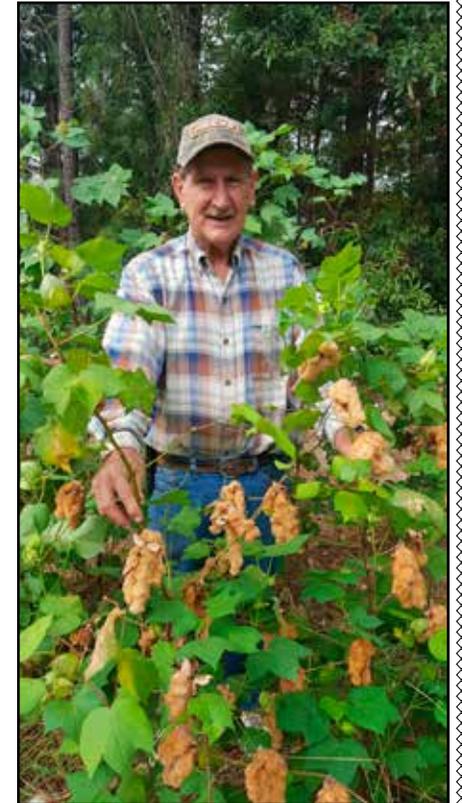

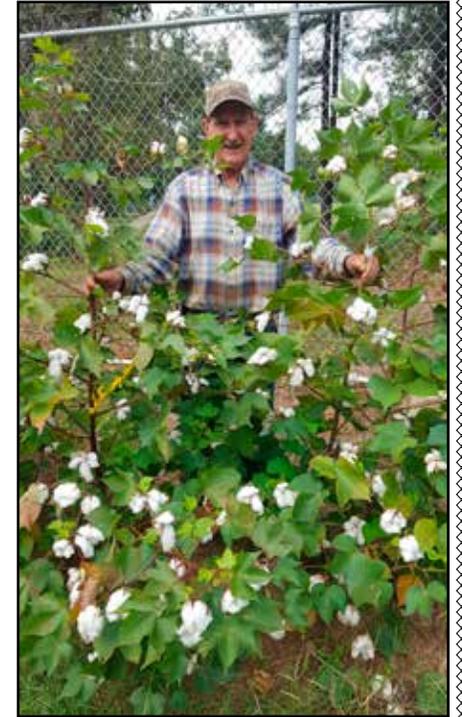

Would you like to visit them with us? Meet us at the CWC pier at dark and follow the procession. If you want to visit them on your own, we will post a list of the lot numbers on Facebook as they come in.

Good luck!

Growing Cotton

by Clayton Evans, NG 01

I grew up in a small town in Northeast Louisiana next to the Mississippi River called the Mississippi Delta. We raised everything to live on. Cows, chickens, hogs, a large garden and even a smoke house. But cotton was the cash crop. I went to the cotton field at a very young age, I worked in our fields and would hire out to the neighbors. I hoed and chopped cotton for three dollars a day. I picked cotton for 3 cents a pound. (before machines became popular). Took me all day to pick 100 lbs. My grandmother picked 250 lbs. a day. When I left the farm I did not want to see another stalk of cotton.

This year when I was planting my garden I decided I would plant some cotton. The plant is so unique. The blooms are very colorful and they change colors as they progress, and when the cotton bolls open, the fields turn white. I had a hard time finding cotton seed this spring. I found a little brown cotton seed in a small Feed and Seed store in Kilgore. I did not know I could get brown cotton, turns out you can get blue and green. I chose to order white. I had fun growing the cotton and a lot of neighbors had to be told what it was. I have a great crop. That was a terminology from when I was a kid. If anyone would like to have seeds for next year, I think I will have plenty.

Baked Macaroni and Cheese in A Pumpkin

Author Stephanie Stiavetti
fearlessfresh.com

Prep Time 20 minutes
Cook Time 1 hour 30 minutes
Total Time 1 hour 50 minutes
Servings 6

Ingredients

1 whole sugar pumpkin or other sweet variety (not a carving pumpkin), about 5 pounds
Sea salt
Freshly ground black pepper
1 tablespoon olive oil
1/4 pound mild Italian pork sausage
4 ounces elbow macaroni
5 ounces Fontina cut into 1/4-inch cubes
2 ounces Gruyère cut into 1/4-inch cubes
3 whole scallions diced
1 teaspoon chopped fresh rosemary
1 teaspoon chopped fresh thyme
1 teaspoon chopped fresh sage
1 cup heavy cream

Instructions

Preheat the oven to 350°F (176°C). Cut a circle from the top of the pumpkin at a 45-degree angle, the way you would cut open a pumpkin to make a jack-o'-lantern, and set aside. Scoop out the seeds and strings as best you can. Generously salt and pepper the inside of the pumpkin, pop the top back on it, place it on a rimmed baking dish (since the pumpkin may leak or weep a bit), and bake for 45 minutes.

Meanwhile, heat the olive oil in a sauté pan over medium heat. If the sausages are in their casings, remove the meat and discard the casings. Crumble the sausage meat into small chunks and cook until lightly browned. Remove the sausage from the pan with a slotted spoon and set aside to cool. Discard the drippings, or save for gravy or what have you.

Also while the pumpkin bakes, cook the pasta in a large pot of salted boiling water until al dente. Drain through a colander and rinse with cool water to stop the cooking process. In a bowl, toss together the Fontina, Gruyère, sausage, pasta, scallions, and herbs.

Once the pumpkin is done baking, take it out of the oven and fill it with the macaroni and cheese. Pour the cream over the filling. Place the top back on the pumpkin and bake for 1 hour, taking the top off for the last 15 minutes so the cheese on top of the filling can properly brown. If the top cream still seems a bit too wobbly and liquid, give it another 10 minutes in the oven. The cream may bubble over a bit, which is fine.

If the pumpkin splits while baking, as occasionally happens, be thankful you set it in a rimmed baking dish and continue to bake as normal.

Allow the pumpkin to rest for 10 minutes before serving. Be careful moving the dish, as the pumpkin may be fragile. You can serve this dish two ways: Cut it into sections and serve them, or just scoop out the insides with scrapings of the pumpkin flesh for each serving. Either way is just dandy. Salt and pepper to taste.

RECYCLING - 101

Over eight years ago, Cherokee Water Company began a single stream recycling program. It started with two recycling containers being placed as a pilot program and lead into the permanent placement of the twelve recycling containers we now have. Single stream recycling refers to comingled recyclables collected in one container. So, if you have magazines, junk mail, newspapers, cardboard or any paper that will tear and is free of food and drink, you can put it in the recycle bin! You don't have to remove paper clips, staples, and there is no presorting or washing required! Also recyclable, are empty plastic containers, (#1 & #2), aluminum, tin and steel containers. Items that are NOT to be placed in the containers are styrofoam, food wrap, tissue products, bottles or items with drink or food waste. The more waste that is diverted from the trash stream and put into the recycle stream, allows us to replace some of the regular dumpsters with these recycling ones, which are much less expensive. We save money and have a positive impact on the environment!

**NO
WAKE ZONE**

**No Wake
Means
No Wake**

The No Wake areas and coves mean that your watercraft should be moving slow enough that it is not leaving a wave in your wake. That is slow, folks. Really slow. That is idle speed. I think of it as driving a car in a school zone. No Wake rules also are in effect anytime you are within 50 feet of the shoreline, piers, boathouses, and other watercraft. 50 feet is a tad over two average boat lengths. This is also State Law. It is not just a CWC thing. No Wake means No Wake no matter what body of water you are on.

The World in a Mouse Click™

WHY FIBER?

Fiber optic cables are made of thin strands of glass that can transmit large amounts of information as pulses of light — at the speed of light.

Unlike internet using traditional copper, the signal strength does not weaken over distance. Data can be transmitted great distances without the need to boost or enhance the signal. And because it transmits light, interference from nearby radios, motors or cables is not an issue. Fiber is also not susceptible to corrosion or lightning.

1997 FM Rd 2011 - Longview, Texas 75603
www.MissMarysPlace.com

The Club Memorial Benefit Tournament was held October 12th. The weather started out a little chilly but ended up being a beautiful day for golf. The 1st Place winners were: Dan & Sharyn Rust with a -6, 2nd Place went to: Tammie Spicer and Myron Foster with a -1 and 3rd Place went to Wayne Hoskins and Robbie Hope with a +1. There were 12 teams and everyone had a great time! All the proceeds of the money will go to course maintenance and the board would like to thank everyone who played. The board would like to recognize the following people who either brought food, prizes, donations of money: Mike Weed cooked fish along with hush puppies and French fries. The

News From the 19th Hole

article by Celia Taylor

food was delicious. The finger foods and deserts were great also. Thanks to all! The following people gave money, gift cards, gift certificates and lots of raffle prizes and

silent auction items: Craig Everett, Buzz & Tacy Everett, Mark & Celia Taylor, Tammie Spicer, Myron Foster, Glenneth Jordan, Marje Theiman, Terry Gebhardt with Nip-It Golf, Wayne Hoskins, Bob & Nelda Desman, Paul Goettle, David Stokes, Dan & Sharyn Rust, Pat & Jaye Herrmann. I have probably left someone out but if I did please let me know as I would like to recognize everyone in helping make our beautiful course start looking great!

The next Tournament is November 9th at 9:00 am and it is a 4 Person Modified Scramble. This will be the last tournament for the year so come out and enjoy!

The board cannot thank Mike Weed and his crew, Mark Taylor, Russ Welch and JR Nettles

with making all of the improvements to the course and also working on the machinery and keeping everything running. Mike Weed works every day, Mark Taylor several days a week and neither accept a dime. They do it because they love our course. If you see any of these guys thank them for the improvements.

The club has gotten some new members: Joel Beason, Kevin Ogden, and Jon Bass! Welcome to Cherokee County Golf!

The Ladies group will play at 11:30 am on Tuesdays. Not only enjoying playing golf they do things around the course like buying flags for the greens, doing the flowers out in front of Club House. Thank you, Ladies, they go out and eat after they play golf.

The Choose up Saturday fun group will keep its tee time at 9:00 am and play every Saturday except tournament days. They are also starting to bring lunches and play another 18 holes after a break and have lunch at the clubhouse. Making a full day of golf.

The Cherokee Country Golf Board meeting is held the 2nd Thursday of the month at 6:00 pm. Come out and see what goes on and give input to the discussions.

Follow the Club on Facebook at: Cherokee Country Golf Association – like the page and see all the up to date photos information about tournaments and all kinds of things. Thank you, Lisa Herrin, for updating the site.

The board wishes everyone a Happy Thanksgiving. Have a safe one!

Hope to see everyone on the course the weather ought to be nice this month.

Hit the long and straight!

LAKE RULES REMINDER

The answer is...“NO!”

Your brother-in-law can't get Lake Cherokee watercraft decals for his boat.
Your cousin can't put his boat in Lake Cherokee just for the weekend.
...and so on.

CHEROKEE WATER COMPANY

GENERAL RULES AND REGULATIONS

VI. BOATING

B. AUTHORIZED WATERCRAFT:

1. Only boats, personal watercraft and other water vessels registered in the name of a leaseholder or leaseholder's spouse are authorized to be placed on Lake Cherokee

There are ZERO exceptions to this rule. Lake Cherokee is a PRIVATE lake. We check every single watercraft registration through the Texas Parks & Wildlife website. If your registration is not in the shareholder or shareholder spouse's name, you will not receive watercraft decals.

Ladies Bridge

by Susan Deeds

Ladies Bridge met on October 2nd for our monthly luncheon. Debbie Hobson made her special chicken spaghetti, and everyone else supplied all the salads, vegetables, bread and desserts. If it sounds like a feast, it was! If you are tired of just

reading about how delicious our luncheons are, just mark your calendar for November 6th! Bring a dish and come to play. We eat at about 11:15 am and bridge play begins at 12 noon. If you have no time to eat, but still want to play, we begin every Wednesday at 12 noon. We play 3-5 rounds - as many as we can before 3pm.

The high scorer for this month's luncheon was Donna Knox! Donna has been the high scorer every week for the last 4 weeks - go, Donna!

We had 12 ladies in attendance and managed to play 4 rounds by 3 pm.

NorVella Skarda and Donna Knox were lucky enough to end up with the Deuce Prizes. Everyone had a great time; how could you not - great food and fellowship, lots of fun and laughter, great bridge play!

I will look for you next week! Susan Deeds

Standing from left: Joan Porter, Wanda Wallace, Debbie Hobson, NorVella Skarda, Carol Ehl, Peggy Hendon, and Jeanne Collins
Seated: Susan Deeds, Donna Knox, Mary Nowak, and Dortha Matthews

PROVIDING INSURANCE SOLUTIONS IN EAST TEXAS!

www.EastTexasMedicare.com

Fall got off to a good start at KFT with smells of Baked Ham and the colors of fall filling up our meeting room. Host and Hostesses were Joe Reeves, Susan Deeds and Betty Heim. Special thanks to Danny Coats and Larry Lacewell for help with table set ups and Marilyn Moulds for loaning us her sound system. Our call groups came through with a delicious assortment of wonderful casseroles. Most everyone went back for seconds.

Our program was given by one of our lake residents and her co-worker. Paula Yowell is Admissions Coordinator at Christus Good Shepherd Medical Center In-House Rehabilitation Center and her co-worker is April Rogers, Nurse Navigator for the "Joint Works" at CGSMC. April told us about the personal pre-op that informs the patient on what to expect with their surgical procedure and she conducts a class each week for the incoming patients. She also works with the patients after surgery, helping them through their therapy. They have you up and walking within hours of your surgery to help with

the transition to home. With modern medical technology a large percentage of patients do not have a long extended stay at the hospital and some go home the same day. Paula told us about their new Animal Assisted Therapy that has been a big success especially with Amputees. The treatment plans are designed to help the patient become as independent as possible. The therapy dogs have increased the patients will to succeed in a situation that is sometimes depressing. Paula and April were both very enthusiastic about their work and enjoy the successful outcomes.

Our lucky door prizes winners of Fall Décor were Ada Pool and Holly Treadway.

Next month's meeting is November 12th. Pete & Carol Staiti have said we'll be having prize-winning Chili. Remember food donations for The Samaritan House. If you are not on a call list and would like to come to KFT, please call Betty Heim at 903-643-7535. Where else can you get a good meal, fun and fellowship for \$3.00?

Speakers Paula Yowell and April Rogers with displays about their programs

April Rogers, Nurse Navigator, for "Joint Works" (joint replacement) Christus Good Shepherd Medical Center, Longview

Host and Hostesses: Joe Reeves, Betty Heim, and Susan Deeds

Door Prize winners: Ada Pool and Holly Treadway

Cherokee Fishing Club News

by Bo Besharse

At the start of the October meeting, three of the five candidates running for the CWC Board of Directors gave a brief presentation of their qualifications and why they were wanting to be involved with the duties of the CWC Board of Directors. Those candidates were Joe Travis, Johnny Lightfoot, and Tim Sutphen. All five of the candidates were invited to the October meeting.

We welcomed one new shareholder, Eddy Anderson, as the newest member of the CFC. We certainly appreciate Eddy choosing to join our group. We had a total of thirty-six people to sign in for the meeting.

The term "Cookie People" was coined by Ray Smith, the previous President of the CFC. During that time period, some members began to bring cookies, as just a snack for the meetings, as time passed, members began to bring a few cakes and pies, and the cookies, cakes and pies, evolved into having sandwiches, fried fish, shrimp and a number of assorted foods. Ray served many years as the clubs President and did an outstanding job during his tenure. Over the last several years, Ray's health has continued to decline, as a result of having polio. He is currently in-home hospice care and I ask that Ray; Nita and the rest of their family be in your prayers.

The "Cookie People" for the October meeting were Gwen Koze-luh, Bob Tippit, Carol Staiti, Dale Sistrunk, Cathy Withers, Anna O'Brien, Bonnie Haynes, and Genia Holland.

Genia reminded everyone we would be collecting non-perishable food, at the November club meeting, that will be donated to the Samaritan House in Tatum. Please bring your donation at the November meeting! We are asking, for the December meeting, for members bring one toy for a girl and one for a boy, along

with the same types of food you bring in November. The toys will be split between the Tatum Police Departments "Blue Santa" Program and the Presbyterian Children's Home in Kilgore.

Joe Travis let everyone know that the Crappie and Bream ponds have been emptied into the lake and by the time this article comes out, the rest of the fish will have been released. Joe was assisted in the fish release by Bob Tippit, James Patterson, Mike Hyko, Tex Parker and Don Anderson

Bob Tippit reported that fifteen fish habitats were placed into the lake and he

New Member Eddy Anderson

was assisted by Tim Sutphen, Don Anderson, James Barton, and Bob Graham. Bob advised that he will have the GPS coordinates and word document prepared soon, for those that wish to update their information.

Steve Brown introduced Jim Tutt as our program speaker. Jim is a fulltime Professional Bass Fisherman and he and his wife, Margaret live fulltime here on Lake Cherokee. Jim provided information about the Garmin Panoptic LiveScope Fishfinder. Jim gave a great presentation

Bob O'Brien (L) and Steve Lobue

and covered a lot of information and you can check out the Garmin Panoptic at Bass Pro and a google search will provide video that shows the Garmin in action. You can actually see the fish swimming and even watch the fish hit the bait. The Nine-inch screen, with transduce runs about \$2,200 in most stores.

Jim was asked about the purchase of the FLW Tournament Trail by Major League Fishing (MLF). There have been changes resulting from the acquisition and much of the information can be found by searching "Major League Fishing and FLW." Jim, as always, provided some great information and we appreciate him visiting with us at the October meeting.

Last month, Bob Tippit advised me that he has arranged for Tommy Ezell to be our speaker for November. Tommy is a well-known Crappie fisherman and a representative for BoneHead Baits. Steve advised the group that Tommy will be our next guest speaker.

Before getting into the raffle information, I wanted to thank Steve Lobue and Bob O'Brien for all the help and support they provided during the last week of September. Every year, the

shipmates I served with in the U.S. Navy during three tours to Vietnam, on the U.S.S. Tolovana (AO 64), have reunions every year. This year they wanted to come to Lake Cherokee and East Texas, because I talk so much about how great this part of East Texas is. These guys come from all parts of the USA and they had a blast. Their biggest joy was coming out to Lake Cherokee to tour the lake and have a great meal of Fried Catfish, with all the trimmings. Bob and Steve volunteered to cook over four hundred pieces of fresh catfish, caught right here in Lake Cherokee, with all the trimmings. We could not have pulled that event off with those two guys help and we could not have conducted the tour without my Nephew, Joe Pipkin, loaning me his new pontoon boat. Thank you! Genia and I gave each of our cooks a \$40.00 gift card to Texas Roadhouse!

The monthly raffle had five winners and they were; Shorty Harris, Carol Staiti, Joe Travis, each won a gift bag full of fishing items; Bo Besharse, Crappie Rod; and our new member, Eddy Anderson, won a Tournament weigh-in bag.

Monday, November 11, 7:00 p.m. CFC Meeting- please bring can food donations

Monday, December 11, 7:00 p.m. CFC Christmas Dinner- pleas bring canned food and a toy for a boy and a girl.

Logan & Xavier Matlock, SF 8, picked up litter along the road in the SF section of Lake Cherokee on September 22.

The Matlock twins saw George Strunk picking up litter in our SA-SH section one day last year and said 'Mommy, we should do that when we go on our nature walks.' They are both cubscouts and that's also something they impress upon the scouts is 'leave no trace' so they decided one day they wanted to help pick up trash and litter we noticed on our drive home from school one day.

Submitted by Beth Matlock, SF 8

This is an inspiring example of being good citizens. Thank you!

Photo by Nic Summers, SL 13
